

How can I identify the year of my GEM car?

GEM 1999 - 2004

- Charger plug located under the seat
- Small Round Display behind Steering wheel
- All 4 wheel have drum brakes
- 2 Batteries up front under the hood and 4 under seat
- Accelerator pedal on the floor
- Motor Controller and Battery Charger located inside dashboard
- Side molding sticker "e825"
- The eighth digit in the VIN would be "9,0,1,2,3,4" indicating the year.

GEM 2005 - 2015

- Charger plug located in the front hood
- Large Square Digital Display behind Steering Wheel
- Disc Brakes Front / Drum Rear
- All 6 batteries under seat
- Automotive style accelerator pedal
- Motor Controller and Battery Charger Located under the hood
- Side molding Sticker "e2", "e4", "e6", "eS", "eL"
